

...a community & resource for female writers who give a damn...

is seeking contributors!

If you write:

- short fiction
- creative nonfiction or essays
- opinion pieces inspired by current events
- reported stories, especially profiles on fascinating characters
- smart, irreverent humor writing of any kind

...submit now!

Send drafts, pitches or questions to:

wittycassiehere@gmail.com

And be among the first to join the community, launching in September.
